1. Quilting

Size of your Quilt Top _____ X _____ = _____ X _____ = \$ _____
Length X Width Square inches Price per inch

Price per square inch is based on the type of quilting you choose ... ranging from 2 cents a square inch for Overall X Large Meandering with a Twist to 2 1/4 to 3 to 4 cents a square inch and up --- based on the detail of the quilting.

2. What kind of Stitching? And where? _____

All quilts are "FREE HAND" that's Free Style Stitched – All Uniquely stitched for each quilt and each block – All Even Regulated Stitches!!!

3. Fabric Backing Size of your backing fabric _____ X _____
(Make sure it is straight and even on all 4 sides.) Length X Width

Your fabric backing should be at least 12" longer & wider than your quilt top! 6" on all 4 sides!

Do you need a wider fabric backing? 100 % Cotton 108" wide and 120" wide - Muslin and White on White and Cream on Cream and Quilter's Blenders --- several colors - Just ask – Very reasonable prices --- Starting at Only \$9.00 a yard --- I may have just what you need!

4. Batting

SAVE Money ---- Ask me about the Batting Special!!!

\$8.50 a yard for 80/20 Hobbs Cotton/Poly White/Cream or Black (80/20 is the Most selected batting!)

\$9.50 a yard for 100% Hobbs Cotton Warm and Natural

Hobbs POLY Batting \$7.00 a yard. I carry Hobbs Washable Wool Batting by the bag also.

5. Color of Thread: _____

\$2.75 per bobbin (average of 4 to 10 bobbins per quilt) I have more than 100 different colors and Over 30 Variegated Threads (\$3.75 a bobbin).
